

Jesse Piccione Assignment 7

app_url:<https://irapi-385318.uc.r.appspot.com/>

Welcome Page <https://irapi-385318.uc.r.appspot.com/login>
piccionj@orangeonstate.edu

Included postman collection with sample requests just make sure to persist the response data as I do not assert test values.

To run in the project directory run the script:

npm install and npm start
